## Invasive Species and Biodiversity

1. What does the word **biodiversity** mean?

---

---

2. Why is biodiversity important? Why do we need a variety of living things in a habitat?

---

---

---

3. What are the **two** features of an invasive species?

---

---

---

4. How do invasive species reduce biodiversity?

---

---

---

5. What can we do to help?

---

---

---
